Step 3

Receive your NFT award

Before we start ...

- Visit <https://ecis2024.eu/faq/> and read the most frequently asked questions about *“Awards: How to Receive Your Award in the Form of NFTs”*
- MetaMask is available on many web browsers.
- In the video listed on the ECIS website, we demonstrate an example of installing MetaMask using Firefox.
- In this manual, we will provide additional instructions on how to install it using Chrome.
- MetaMask is also available on Brave, Edge, and Opera.
- Please note that the MetaMask home page is customized for each browser, and there are some minor differences from browser to browser.

Setup MetaMask on Chrome browser

Step 1: Visit MetaMask.io

1. Open Chrome.
2. Visit MetaMask.io.
3. The MetaMask.io home page on Chrome differs slightly from other browsers.
4. To the right, you can see the homepage of MetaMask on Chrome.

Enable

Manage in settings

Step 13: Access your MetaMask wallet

1. Your wallet will automatically be displayed on the screen
2. Ensure that you are on Ethereum Mainnet
3. Copy your public wallet address

1. Ensure that Ethereum Mainnet is selected

2. Click to copy wallet address

Step 14: Register your details on ECIS website

1. Visit

https://docs.google.com/forms/d/e/1FAIpQLSf2ksvY7EkoJfRBJcizOHVfh0FXrqz0e_dm-rUU44IIAov3Bw/viewform

2. Fill in your details (name, surname, email, affiliation, wallet address)

3. Press “Submission

The screenshot shows a Google Forms registration page titled "ECIS 2024 - NFT Award registration". The form asks for the following information:

- Name ***: A text input field with the placeholder "Your answer".
- Surname ***: A text input field with the placeholder "Your answer".
- Email Address (the email address you registered at ECIS) ***: A text input field with the placeholder "Your answer".
- Affiliation ***: A text input field with the placeholder "Your answer".
- Wallet address (public key) (for Mainnet Ethereum) ***: A text input field with the placeholder "Your answer".

At the bottom of the form, there is a purple "Submission" button and a "Form clearance" link.

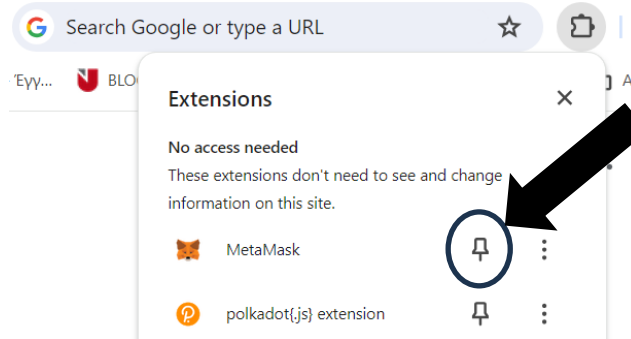

Step 15: Log into your wallet

1. The NFTs will be airdropped to your wallets on July 5, 2024.
2. To view them, you need to log into your wallet.
3. To do so, go to your Chrome browser and click on the MetaMask extension.
4. If the extension is not displayed on your browser, click on the extension icon and select it from the list.
5. To simplify future access to your wallet, you can pin the MetaMask extension to your browser.

Example 1: Click on the MetaMask extension to open your wallet

Example 2- Step 1: Click on the extension icon and locate MetaMask

Example 2- Step 2: If the extension is not displayed on your browser, click on the extension icon and select it from the list. To simplify future access to your wallet, you can pin the MetaMask extension to your browser.

Step 16: Log into your wallet

1. Add your password
2. This is the password you created in Step 5
3. Press “Unlock” to access your password
4. In case you forget your password you can reset it by clicking on “Forgot Password”

The screenshot shows the MetaMask login screen. At the top, there is a dropdown menu for 'Ethereum Mainnet' and a small fox icon. The main content area features a large orange fox head icon, the text 'Welcome back!', and the subtitle 'The decentralized web awaits'. Below this, there is a password input field labeled 'Password' and a blue 'Unlock' button. A blue link for 'Forgot password?' is located below the 'Unlock' button. At the bottom, there is a link for 'Need help? Contact MetaMask support'. Two black arrows with white outlines point to the 'Password' field and the 'Unlock' button, respectively. The 'Password' field and the 'Unlock' button are also circled with blue outlines.

1. Type your password
2. Click Unlock

Step 17: Reset your password in case you forgot it

1. Refer to secret passphrases and add the seed words in the right order
2. Reset your password
3. Click on Restore

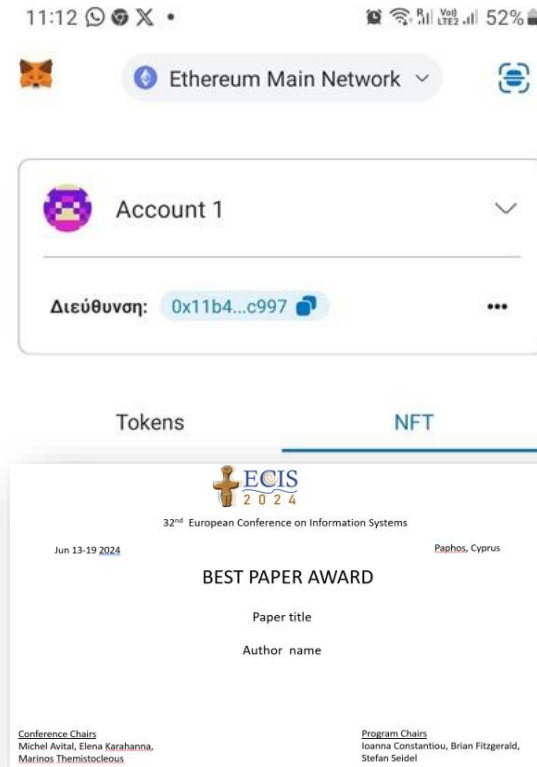

1. Type your seed words

2. Reset password

3. Restore

Step 18: View your NFT

1. The NFTs will be airdropped to your wallets on 05 July 2024.
2. To view them access your wallet
3. Click on NFTs
4. Your NFT is displayed in the list with your NFTs

ECIS 2024 NFT award
